

Curriculum

UCELC provides Christian enrichment through reading, math, science, art, music, movement, and socialization. The following curriculum guidelines help prepare each child for an age appropriate learning experience.

Spiritual Development

Our lessons include character development, Bible verses and stories. Chapel is a time of worship, singing, prayer, teaching caring about others and making good decisions. **He guides the humble in what is right and teaches them His way—Psalms 25:9**

Social

Playing (free choice of activities), sharing (cooperation and respect for others), working (independently and as part of a group), expressing feelings and needs (understanding emotions and asking questions), role playing (imagination), obeying rules (self-discipline and safety). **Show proper respect to everyone—1 Peter 2:17**

Physical Development

Large and small muscle, health and grooming, games and creative movement, perceptual motor skills. **Be strong and do not give up for your work will be rewarded—II Chronicles 15:7**

Reading Readiness

Visual discrimination, auditory skills, language development, introduction to the alphabet, phonemic awareness, shape and color recognition, size relationships, spatial concepts and opposites, creative expression. **The fear of the Lord is the beginning of knowledge—Proverbs 1:7**

Math Readiness

Sorting, classifying, patterning, graphing, numeral recognition, number sense. **Listen to advice and accept instruction, and in the end you will be wise—Proverbs 19:20**

Specials

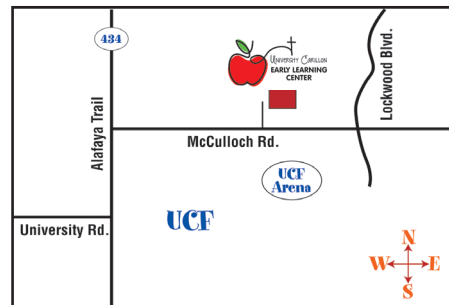

Music, P.E. & Science Lab (4 year olds)

Registration

Enrollment for the Fall semester begins in January. Enrollment is accepted until the class limit is reached. Once class limits are reached a waiting list will be formed.

Enrollment materials are available for pick up at the school office. Private tours are also available. Please contact the ELC office to schedule your tour.

University Carillon Early Learning Center generally follows the calendar year set for Seminole County Public Schools.

Christa Macheske, Registrar

Purpose

University Carillon Early Learning Center is a ministry of University Carillon. It is our prayer that children experience God's love through loving relationships and positive experiences at school in a Christian environment. We accept each child as they are, at their own pace, according to their individual needs.

*Children are a gift from the Lord;
they are a reward from Him.*
-Psalm 127:3

We provide a safe and nurturing environment that promotes the spiritual, social, emotional, physical and cognitive development of the child, allowing them to grow and develop as Jesus did.

Young children learn through their play experiences. Small groups, hands-on experiences, and multi-sensory materials all help define the educational purpose of our classrooms at UCELC.

Our goal is to help children become aware of God's presence and greatness by weaving Christian principles into the total school curriculum.

Parental Involvement

We recognize the importance of keeping parents actively involved in the education of their children. As a result, we provide many ways for parents and staff to communicate, and we strive to provide parents with many opportunities to get involved with our center. We encourage and rely on the extra help of parents to provide children with a variety of fun and educational programs throughout the school year.

Our Staff

You will find our staff to be warm, caring, creative, energetic and knowledgeable. We pray daily that we can be mindful of your needs and those of your child. Our teachers have achieved or exceeded state requirements for child care center staff. Teachers are required to obtain 10 educational credit hours per school year and background screenings are performed on all staff members.

Licensing

UCELC is licensed by Florida Department of Children and Families (DCF License #C18SE0089). We are also members of UMAP (United Methodist Association of Preschools).

Social Media

UCELC currently has an active Facebook page. We encourage our families to join us there and participate in this fun way to stay connected.
